

If Mother Nature
and Old Man Winter
ran off together,
this is where they'd go.

FEBRUARY 3- 12, 2012

IF OUR WINTER FESTIVAL
CHALLENGED
YOUR WINTER FESTIVAL
TO A SNOWBALL FIGHT...

YOURS WOULD
END UP RUNNING
HOME TO **MAMA.**

We do winter a little bigger, a little better, a little bolder than most folks. So when we host a winter festival, you best hold onto your hat. We offer more snow, more trails, more climb-every-mountain-and-ski-back-on-down sort of outdoor activity.

Get your passport stamped at events, activities or the front desk at your resort.

The more you do the more chances you'll have to win a grand prize vacation getaway.

Just turn in your stamped passport (or semi-stamped passport, depending on how much you do) at the front desk of your host resort or at the Visitor Information Center in Grand Marais or Tofte and we'll enter you once for each passport stamp into the grand prize vacation getaway described on last page of passport.

And we've brought them all together for Winter Tracks.
