

Trail Description:

Trail heads northeast from Ski Hill Rd following the old XC ski trail to the northeast of Boulder Blvd. From there the trail continues northeast until it crosses the Caribou Trl near the intersection with Homestead Rd. The trail then drops to the southeast and follows the southern portion of the Massie-Hall XC ski system before entering Cascade River State Park. Inside the state park the trail crosses Spruce Crk and then Indian Camp Crk before finishing at Cascade Trailhead to the west of Cascade Lodge & Restaurant.
